CITY OF

"Birthplace of the Oil Industry"

107 North Franklin Street • Titusville, PA 16354

Building Inspector • (814) 827-5300 Ext. 313

I frequently get calls in the Code Enforcement Office about property disputes. "Is my neighbor allowed to do ...?" "Can I put up a fence?" "How far off the property line should it be?"

Fences are regulated in Article 1309 of the Codified Ordinances of Titusville Section 1309.04. The statute can be very easily explained with a few guidelines.

1. Fences **DO** require a building permit
2. Always call 811 before you dig to have underground utilities marked
3. Fences in the front yard cannot exceed 3' 6" in height
4. Fences at the rear and side yards cannot exceed 6' in height
5. Fences in a side yard within 5 feet of a driveway and 15 feet from the front property line cannot exceed 3'6" to allow residents and guests to see traffic
6. There is no restriction of how close to the property line you may build your fence but here are some good recommendations.
 - a. Survey your property. Know where the line is.
 - b. It is a good rule of thumb to build 12 to 24 inches off the property line. This will allow you space to perform maintenance, run a mower, or trim weeds without going on your neighbor's property.
 - c. If you choose to build right up to the line, you need to be aware that if your neighbor denies you access to their property you will not be able to perform maintenance on your fence without taking it down.

Happy
Thanksgiving

Titusville Community Development Agencies Visit with U.S. Congressman Kelly

We had a very successful visit with Congressman

Kelly yesterday. First we toured Towne Square where he met with one of his staunch supporters, John McGinnis.

Then we toured The Merc. He visited the stores and purchased a knife from Dynamic Gear where Kathy asked for a selfie with him.

After that we showed him all the buildings at TOP. He was impressed that they were filled. We wrapped up the tour with a visit to Storybook Floors and John

showed him all around and told him how much he appreciated the Redevelopment Authority. Congressman Kelly repeatedly told us what a good job we were doing and that any time we needed any help with federal programs his office would be glad to help us.

Forest Glen Alpacas

Yes, I would like everyone to know that due to the pandemic and the cancelation of the craft fairs, Forest Glen Alpacas has set up our gift shop at the Cranberry Mall. While folks can still schedule a farm visit to see the animals, the gift shop is not on the farm, at least until after Christmas. We have set up in the mall where Sears was located. There are 40 some vendors there!!! It is like a craft fair, only one doesn't have to worry about wind, rain, or cold. Come on out and see all the unique gift items and support local crafters and of course Forest Glen Alpacas!! Hours right now are WED - Sat 10am - 7pm, SUN noon - 4pm. Hours may be extended as we get closer to Christmas. Happy Shopping!!

Please consider purchasing [Oil Creek and Titusville Railroad](#) Gift Certificates for Christmas, birthday or anniversary gifts to help out. You can purchase them in any amount, and they pair nicely with Gift Certificates for the [Caboose Motel, Inc.](#) - a great themed getaway for couples, families or a group of friends! Our regular season generally runs June through October, and our 2021 Season should be announced by mid-January.

Tax-deductible donations also always welcome. You can visit our website [here](#) for more information on donating or becoming a volunteer.

Christmas for Kids

formerly "Ladies Night Out"
hosted by the **Associated Charities**
DONATION REQUEST

The Associated Charities began in 1911 when the mayor of Titusville proposed having a central location for those in need to go in search of help. To this day, we hold true to the same mission - meeting the needs of others when possible. We are a local resource that provides services, whether it be food, clothing, household items, utility assistance, medical equipment or just a place they can come to build a relationship and feel a part of our community.

One of our main services is providing Christmas gifts and food for eligible individuals and families during the holidays. In the past this has been possible through the annual "Ladies Night Out". Due to the current situation we are all faced with, this fundraising event had to be re-invented. The event will be called **"Christmas for Kids"** and will be held downtown on **Sunday, December 6** throughout the day. Not only will this benefit our clients in need, but by having it downtown we are hoping to create foot traffic in those businesses that choose to be open.

In order for this to be successful for the Associated Charities, the children and the businesses, we come asking for your support. Please consider a donation for this event. Your support will make Christmas possible for families who otherwise may not have one. Your donation will be used to raise money at this event. In the past these donations have included, gift cards and certificates, cash donations and items for the Chinese raffle and live auction.

Each donor will be acknowledged throughout the event and given a receipt for tax purposes.

Thank you for taking into consideration our request. If at all possible, we would like to **request that donations be made by Monday, November 16.**

If you have any questions, would like to purchase tickets for the event or need your donation picked up, please contact the Associated Charities at 827-6613.

We hope you will join us at **"Christmas for Kids"** on **Sunday, December 6.**

Sincerely,

The "Christmas for Kids" Committee

YWCA IS ON A MISSION

**For as little as \$25 you can have your
business name on the back of a race shirt!**

We are gearing up for the 6th Annual YWCA 5K Turkey Trot and would love for you to be a part of this great event. Last year nearly 300 people ranging in age from infant to 73 years old participated on this Thanksgiving Day event. All participants 18 and under run for free and get a race bag filled with goodies. We are asking businesses, organizations and clubs to consider being sponsors.

With Covid,-19 things will be a little different, we must cap participants at 250 but we still feel we can run a safe race and carry on this tradition. If it would no longer be safe we would switch to a virtual race and people would still receive their t-shirts for participating.

All sponsors receive name on race shirt and recognition on a sign designating level of support!
